**Data Handling task: 50 Marks - Datahantering taak: 50 punte**

- Learners must read through the statistics chapter on how to read Data and give evidence from data. / Die leerder kan die statistiek hoofstuk deur gaan oor hoe om data te lees en terugvoering te gee vanaf data

Please note that both these SBA's will be done on the same day. You cannot study for the data handling task as it is a task and practical skills will be tested. / Let wel dat beide hierdie SBA's op dieselfde dag gedoen sal word. Die leerder kan nie vir die datahantering taak studeer nie, aangesien dit 'n taak is en praktiese vaardighede getoets sal word.

**Practical Assessment Task (PAT):**

The practical assessment task will take place over 2 consecutive days of 4 hours each. Letters will be sent out with regards to the arrangements and administration of the PAT. Failure in completion of the PAT will result in the learner receiving an INCOMPLETE for gr 11.

**Praktiese assesseringstaak (PAT):**

Die praktiese assesseringstaak sal oor 2 opeenvolgende dae van 4 uur elk plaasvind. Briewe sal gestuur word met betrekking tot die reëlins en administrasie van die PAT. As die PAT nie voltooi word nie, sal die leerder 'n ONVOLTOOID vir gr 11 ontvang.

## **EXAMINATION RULES**

- A candidate's examination results may be declared null and void by the Headmaster/ Irregularity Committee if:
  - He or she takes into the examination room, or has in his or her possession while in the examination room, a cellular telephone or any Bluetooth device,
  - Has in his / her possession during the examination session, any book, memorandum, notes or any other paper whatsoever, with the exception of his or her stationery and the stationery issued to him or her by the invigilator during the examination session,
  - During the course of the examination he or she helps or tries to help another candidate, or gets or tries to get help from another candidate or any other person, or in any way communicates or tries to communicate with another candidate.
  - Any other person impersonates him or her at the examinations.
  - He or she behaves in an unruly, threatening, aggressive or intimidating manner towards an invigilator, disrupts the examination or disobeys an Instruction of an Invigilator.
  - He or she obtains information before the examination about the contents of the question paper set for the examination.
  - He or she removes any answer sheet from the examination room.
- When answering the examination questions, candidates must confine themselves strictly to the questions set. If they make any personal, improper or otherwise impertinent remarks whatsoever, the Headmaster may penalize them at his discretion.
- Students may appear in front of an Irregularity Committee if any of the above guidelines are not met.

Thank you for supporting your child and the school during these challenging times. We are the *School that Cares* but we could not do it without you.

The image features the words "Good Luck!" in a 3D, blocky font. The word "Good" is positioned above "Luck!". The letters of "Good" are white with a pink/magenta side and a dark blue shadow. The letters of "Luck!" are white with a green side and a dark blue shadow. The entire graphic is set against a dark blue gradient background.
