

WKNIGHT

28 Jan 2022 – Issue 1

from the principal's office...

Welcome back all BMDHS parents, guardians and students!

I trust you all had a wonderful holiday and are ready for the year. We are full-steam ahead into 2022. I would like to extend a special welcome to our new parents and students; I hope that you are all feeling settled and happy. We are looking forward to an exciting and busy year. We have already started with extra murals (see all the details further down) and would like to encourage each and every student to get involved, to have fun and earn points for their house. Our focus is on participation this year and we urge you to make the most every opportunity this year.

You would have also seen that we have guests on our school premises. In collaboration with Metro-North Education District and Western Cape Education Department, we would like to welcome the new high school in Bothasig, currently known as Bothasig High School, to Bosmansdam for the next two terms. This project only received approval on 23 December 2021, and I need to thank and congratulate Mr. Clinton Barnes who made the IMPOSSIBLE, POSSIBLE. He headed and oversaw the renovation process and ensured that we had five classrooms ready (where there were only two classrooms available before) when learners arrived on 17 January for their orientation.

Remember, you are also capable of amazing things so make your journey at Bosmansdam an incredible one. Take pride in your assignments and participate in school activities. Live the school's values: RESPECT, RESPONSIBILITY, HONESTY. Get enough sleep, make positive friends, and ask for help when needed.

I wish you all a wonderful, successful, happy 2022 and remind you that we are here to ensure your child's happiness at school.

New staff

We welcome four new staff members this year. Mr Ettiene Kruger has joined our team as a Technology and Consumer Studies teacher. The Maths department's riches have grown with Ms Janike du Plessis's arrival and the Language department has two new additions: Ms Desline Swanepoel, who joins the Afrikaans subject team, and Ms Micaela Fourie, who joins the English subject team.
