Sport Results and Fixtures

Rugby

This past weekend the boys went up against Groote Schuur.
Both junior teams unfortunately lost (u15 10 – 0 and u16 29 – 15)
but it is so nice to see, after two years that these boys missed out on rugby,
how well they are starting to play and how they improve every week.
Keep up the hard work boys.

Our u19 A team is playing very exciting rugby this year.
They beat Groote Schuur 24 – 17 in a battle of strength and grit.
We hope that our boys will keep up the standard and flair that we know
they are capable of.

Tylor la Fleur

Tylor la Fleur is representing BMDHS in the Western Province u17 team. Tylor has been working hard since the beginning of her high school career to achieve this milestone and we would like to congratulate her on her perseverance and commitment to her goal.

We are super proud of you and privileged to call you our captain! She will be participating in the Western Cape trials this weekend so wish her luck!

INNOVATEEDU

InnovateEDU is South Africa's Premier Teacher Conference and was held at Parklands College this past Friday and Saturday. Mr Kruger, Mr Blom, Mr Barnes and Ms Szafraniec attended the two full days of minds-on, hands-on teacher professional development for innovative teaching and learning. This conference brought nine UK and US educational experts to South Africa.

They attended sessions on primary and secondary robotics, blended learning, collaborative and inclusive learning, teaching “off the wall” and even how to incorporate music and multimedia into lesson material. They came back inspired to share their newly acquired knowledge. You can always rest assured that BMDHS will do everything to give you the best education we can! #theschoolthatares

Onderwêreldopvoering

Wat 'n voorreg om saam met hierdie kosbare graad 12's die Onderwêreldopvoering by te woon. Dankie André Stolz Produksies. Ons het aan "G-4ce en Ekk-O" se lippe gehang terwyl die roman in 'n neutedop voor ons afspeel. Kuberkrakery is die lokaas terwyl weerwraak die mag van geldgierigheid en vele ander misstappe blootlê.
