BOSTELEGRAM

October / Oktober 2020

Dear Parent / Geagte Ouer

I think this has been the longest term since I have started teaching. If not, it certainly felt like it!

With this issue of the Bostelegam you will have received:

- * your child's report;
- * the school fees letter for 2021 for your child's grade (next year)
- * the Grade 8 - 11 examination timetable.

BUDGET 2021

I would like to thank the bursar, Ms Suzette van Wyk, for the time and effort she has put into the preparation of the 2021 Budget as well as the members of the SGB who scrutinized and approved it before the budget meeting. It was a very difficult task due to the challenges and uncertainties surrounding Covid-19. Please study the attached budget letters for more details. I would again like to thank all parents who diligently make their monthly contributions, big or small, without which the school simply cannot not operate.

TERM 3

Please study your child's report very carefully. Please note that the mark for Term 3 is in fact the Term 3 mark only - it does not include the marks for Term 1 & 2. Principals in our circuit have found that the marks of the Grade 8 and 9 students, in general, have dropped considerably due to the long period of absence from school. Again, if one takes the marks of Term 1 into consideration, the picture looks less bleak.

However, please note that the examinations will start very soon after the reopening of the school. Your child will have to prepare a study programme for Term 4 on the days that they do not attend school. With regard to our Matric Class of 2020, they have all received their timetables and the holidays must be a time of intense preparation for them as their examinations will start on 5 November already!

The Grade 12 Business Studies students will have an additional revision session at school on Tuesday, 27 October 2020, from 8 am to 1 pm. Please ensure that your child attends this class, where applicable.

Die Matriek Klas van 2020 het, soos die res van die senior klasse die wêreld deur, 'n baie moeilike jaar agter die rug waarin hul groot opofferings moes maak. Die een manier om te sorg dat die jaar tog suksesvol is, is om akademies te presteer. The Class of 2020 must therefore buckle down and finish this year on a high note. It will be worth their while.

Parents must please note that the Class of 2020 will write their examinations in their school uniform. Please ensure that your child returns to school on 2 November 2020 neatly and correctly dressed, with neat hair and

nails. I firmly believe that if you are dressed for the part, your focus is much better and honed in on what is relevant and important. This obviously applies to all our students. The Class of 2020 is in our thoughts and prayers in this final leg of their academic journey here at Bosmansdam High School.

The Grade 8 and 9 Technology learners who still have not completed their first term practical assessment task will be informed in writing that a task is outstanding after the holidays. This task will be an open book task. The Grade 8 learners will do the task on cams, cranks and levers and the Grade 9 learners on the construction of bridges. The Grade 8 learners will do their task on Tuesday, 10 November 2020, and the Grade 9 learners on Monday, 10 November 2020. Non-attendance will mean no mark at the end of the year!

PERSONEEL

Soos baie van u bewus is, is Mnr Gerhard Rademeyer se vrou, Karin verlede week en Maandag na 'n kort siekbed aan kanker oorlede. Me Rademeyer was by twee geleenthede 'n gewaardeerde lid van ons personeel en het ook diens gedoen as departementshoof by ons skool. Sy was vakhoof van die departement Wiskunde en was veral bekend as 'n ware omgee-mens. Meer inligting is op die skool se facebook-blad beskikbaar.

Ons gebede is in hierdie moeilike tyd by Mnr Rademeyer en hul enigste seun, Gerco. Ons weet ons Hemelse Vader gaan ook op die lang pad vorentoe sy hand van bewaring oor hul hou en dat hul albei geseënd is met pragtige herinneringe van Karin.

MATRIC COUNCIL 2021

It gives me great pleasure in announcing the names of the Matric Council for 2021. Whether they will experience the same challenges of the Matric Council of 2020 remains to be seen, but I would like to thank them for availing themselves for the Council. To the students who were not elected, thank you for wishing to make a difference at our school too. Other opportunities will come your way and see this as a learning experience.

Die Matriekraad het gister, 22 Oktober 2020, hul opleiding ontvang by juffrou Wilna Janse van Rensburg en me Nicole Faddell. By hierdie geleentheid het hulle self die hoofleiers vir 2021 gekies. Baie geluk aan aan hierdie leerders en hul ouers.

The Matric Council will be virtually introduced to the school community in the fourth term.

The Matric Council and RCL for Grade 12 are:

Please stay safe during the holidays. I want to remind the Grade 12 learners especially to maintain all Covid-19 protocols throughout the holidays. There are matric students in the southern suburbs who have missed their NSC CAT and LO papers due to positive tests for Covid-19, as they went partying during this past term. They can now only rewrite their papers in 2021.

Bly dus asseblief waaksaam en verantwoordelik. Dis nie die moeite werd om kanse te vat nie. As u gelukkig genoeg is om te kan weggaan die vakansie, weereens, wees versigtig.

Vriendelike groete
