## Grade 8 information

The school  
that cares

## Dear Grade 8 parent / guardian

Your child is starting an exciting new high school career on 17 January 2023. We want to extend a heartfelt welcome to you and your child at school. We have structured a bridging programme, which will ensure that your child immediately feels at home.

The programme covers several aims. Your child will be familiarized with the school and school environment, make new friends and be introduced to all the activities our school has to offer.

Your child must please be at school from 10:00 to 12:00 on Tuesday, 17 January 2023, when each learner will receive an orientation booklet as well as a programme for the first week. Your child must please wear the correct school uniform as indicated elsewhere in this booklet, which is available from our suppliers, Rothmans Clothing and School & Leisure.

There will be breaks during the orientation activities, so please provide sandwiches for each day as the tuckshop will be closed.

Textbooks for 2023 will be handed out at school during orientation week. Your child must bring his/her school bag along during this week. The school stationery list is included in this booklet. Please ensure that your child has all the necessary stationery by Wednesday, 18 January 2023, when the school opens.

Please rest assured that your child will always be under the supervision of educators and prefects.

Kind regards  
Mr van Tonder

# SCHOOL SONG

Here Bosmansdam stands proud and firmly  
In view of Table Mountain fair.  
Our school is moulding all our talents  
to build a future so secure.

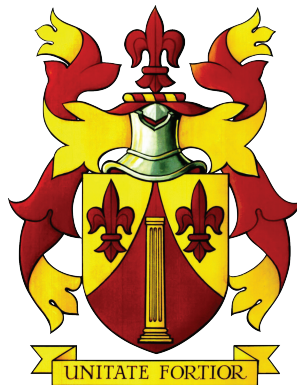

Jou mure sterk en hoog beskerm ons,  
berei ons daaglik kundig voor;  
ons Alma Mater rig en lei ons,  
plaas die bakens altyd hoër.

Blye dae van ons soeke  
na groei van hart, verstand en hand;  
vind wasdom in 'n selfloos arbeid  
tot eer van God en heil van land.

Joyous days of our striving  
for growth of heart and mind and hand;  
fulfil our hopes of selfless serving  
to honour God and love our land.

“This is a new year. A new beginning.  
And things will change.”  
– Taylor Swift
